

Key City Amateur Radio Club

August Newsletter

Hey everyone! I am W5ELF, Lynette O'Neal, the new editor of your newsletter, please bear with me, I am a little rusty at this, it has been awhile.

Our July meeting was a crowd of 32 people, including 2 visitors, Bill Cason and Lance Bachman.

Howard Collier spoke to us about a new digital repeater he is working on.

Sixteen people were able to attend our July social at Mr. Gatti's. Those of us that arrived early were not fast enough to get two tables pulled together, hopefully next time us old folks will be faster.

On a sad note, in July, Murray Neece, K5MDM, became a silent key. Murray was born and raised in Abilene, but had recently lived in Odessa, Texas. He was a faithful attendee of our Ham Fests for many years and will be missed by all who knew him.

That's about all I have for this month. I hope to see all of you at our next club meeting which is scheduled for **Monday Aug. 10th. 7 p.m. at Chavez South Park Recreation Center, 1002 Cherry Street.**
